As far as can be ascertained, there
no order of Govt which contemplates that
District Officers may address communicatio
direct to Government in ordinary Correspond-

tains. The mode of address adopted by
the Bangalore Dy Comr is also opposed to
the practice hitherto prevailing in other.

Sir,

In forwarding herewith letter No: D.1034 of the 23rd instant from the Deputy Commissioner of Bangalore , I have the honor to state that, as the I5 days privilege leave from the 1st instant granted to Mr:C.J.Haudin , Superintendent of Police , in Notification No: I463 dated the I8th March I903 was not availed of by him, it may be cancelled , and to request that one months privilege leave as recommended in this office application No: 5307/3I8 dated the I6th March I903 may be sanctioned early . The Deputy Commissioner of Bangalore has in anticipation of sanction from Government , and on his own authority

13

granted one months privilege leave to Mr: Haudin from the 14th instant .

I beg to invite attention to the mode of addressing Government adopted by the Deputy Commissioner in connection with Police matters - a mode peculiar to the Bangalore District in that the letters are addressed through instead of to this office - ,and to his having granted leave in anticipation of sanction without any reference to this office .

I have the honor to be

Sir,

In continuation of my letter No 990 dated 12th March 1903, I have the honor to forward herewith, the explanation of W. C. J. Hawdin, District Superintendent of Police, Bangalore, and to req

that

That Government may be moved to cause the 15 days' privilege leave sanctioned in Notification No 1463/J dated 18th March 1903, received from the Inspector General of Police with his No 5365/Leo2 dated 20th March 1903, to be kindly cancelled and one month's privilege leave from the 12th current, as recommended by me may be granted. Mr Handin who it will be seen was not able to utilize the leave at first recommended by me, as orders sanctioning the leave were not received in time. It may be here mentioned that as Mr Handin was so ill and incapable of any kind

of work, leave was granted in anticipation of sanction, as it appeared to me that unless he had some change, he would have probably died.

Memo

As I was ill I applied on 26. 2. 1903 for 15 days privilege leave from the 12th of the current month but as sanction was not received to enable me to avail myself of the leave and as I believed I could not anticipate Government sanction in the matter I continued, as explained in my letter to the Deputy Commissioner No 625 dated 14th instant, to do duty except for 3 or four days when I was absolutely incapacitated from doing any work, in consequence of which I got a relapse and applied for a month's leave from the 14th current. As I do not avail myself of

of the 15 days privilege leave
originally applied for and
now sanctioned, I beg Governm
may be moved to cancel

Mr. Richards. Madiah Esqr

GOVERNMENT OF MYSORE

Bangalore ,

23rd May 1903 .

Mr Nanjundayya ,

In reply to your D.O. dated the 9th instant regarding the mode of addressing communications in Police matters, I beg to state that there is no order of Government prescribing the same but the practice hitherto observed by the Deputy Commissioners was to address this Office --- direct in all police matters , the exceptions being two , one introduced by the Deputy Commissioner Bangalore as I have already brought to the notice of Government , and the other in the year 1898 by the Deputy Commissioner of the Kolar District who adopted a similar course deviating from the usual proceedure . The then Inspector General addressed Government on the subject (vide this Office

letter No. 2388/29I dated the 7th January 1898) but no orders appear to have been passed on the subject.

If the innovation is permitted it would tend to Government being troubled unnecessarily on various matters which are within the scope of the Inspector General to pass final orders, and thus curtail correspondence ; otherwise the Inspector General will not be able to use his discretion of withholding the letter in instances when a reference to Government is uncalled for . Further, I may be excused for saying that since the Inspector General is recognised as the head of the police department it is but necessary that he should, in the first instance, be given an opportunity to deal with any question about which a reference is made by the Deputy Commissioner and should he fail , in the opinion of the officer making the reference , to grapple with the subject satisfactorily

or to place it before Government for orders. when ---

necessary, it is only then, in my humble opinion, the new

proceedure introduced by the Deputy Commissioner Bangalo:

may be permitted.

I remain yours sincerely,
